HEROIC STEPS ARE TAKEN TO BRING ORDER OUT OF CHAOS.

PLAN MEASURES FOR PUBLIC GOOD

General Committee Will House Homeless.

All Meat in Butchertown to Be Free for Relief of the Destitute.

The General Committee set to work to administer the meat to the destitute and to feed the homes of the destitute. They will have the meat ready as soon as possible. The meat will be distributed at the Butchertown Mission, where it will be available at any time. The committee will also provide food for the homes of the destitute.

Warms the People to Fight Against Pestilence.

Mayor Points to Grave Danger of Disease.

The following proclamation has been issued by the Mayor:

All Citizens Will Observe the Following:

There will be abundant food supplied. Do not use any water except for drinking and cooking purposes. Do not light any fires in houses or stoves. Do not use any house supplies under any circumstances, but dig earth closets in yards or vacant lots, using if possible chloride of lime or some other disinfectant. Do not drink any water that is not fit for drinking or cooking. Do not allow any garbage to remain on the premises. Bury deep and cover immediately. Pestilence can only be avoided by complying with these regulations.

The district covered by our committees is Kearny street, north to Bay; Van Ness avenue, west to Market; the Market street, south to Division and east to Market; and all parts of the city not thereby covered.

If you are a citizen of San Francisco, you are hereby commanded to do all that is necessary to prevent the spread of this pestilence. You are warned to act immediately, and to do all within your power to prevent the spread of this pestilence.
